Mr. Oh indicated that there is a cultural shift in that the younger generation is not in favour of the shark fin soup. Mr. Oh reiterated that the by-law is unfair and unjust in that it dictates what people can and cannot eat. Mr. Oh communicated that the Chinese culture has been misrepresented on this issue.

Mayor McCallion asked if representatives of the Mississauga Chinese Business Association would be willing to sit on the Shark Finning Committee which was formed to advise on the implementation and enforcement of the by-law.
