City Clerk's Office
City of Mississauga

We are looking at putting up a Beer Tent in our parking lot during Bread and Honey and The AGCO is requesting a letter from your office that states there is "no objection" to the extension of your proposed extended licensed area.

I would kindly request that this letter be drawn up (if no objection), and mailed to me as soon as possible so that I may forward to the AGCO licensing department. Thank you for your time.

Sincerely,

Greg Proctor
Owner, The Franklin House
