## Councillor's Report

Ward 9

300 City Centre Dr., Mississauga, ON L5B 3C1

Tel: 905-896-5900 • Fax: 905-896-5863 • Email: pat.saito@mississauga.ca • Website: ward9.ca

### Dear Neighbour:

As we approach the end of 2012, it is time to reflect on all the wonderful things that have taken place in our lives. We are blessed in Ward 9 with so many caring residents who give of their time and energy towards making this a great place for us all. They are the many volunteers who serve on various organizations and I thank them for all that they do.

This newsletter covers mainly Regional services and offers you tips and information on where to find help for health, waste, transportation or social service issues.

I cannot cover all the services we offer in a newsletter so I encourage you to visit my Ward 9 website at [ward9.ca](http://ward9.ca), the Region of Peel at [peelregion.ca](http://peelregion.ca) or the City of Mississauga at [mississauga.ca](http://mississauga.ca) for more information.

We are in the midst of budget deliberations at both the City and Region and I will continue to make sure that we are providing you with the best possible services at reasonable costs. On a high note, we have set the date of mid-April 2014 for the Meadowvale Community Centre renovations to begin. I am holding the first community Open House on Saturday, Feb. 9, 2013 at the Community Centre to gather your input. This is a

major project and we want to make sure that the final product will serve our community for many years to come.

I would like to wish you and your family a very Merry Christmas and a Happy New Year. I also offer you my best if you observe a different celebration during this time. I hope that 2013 will see you and your family in good health.

All the best,

Pat Saito  
Councillor, Ward 9

## Meadowvale Community Centre turns 30!

On Saturday, Sept. 15, the Meadowvale Community Centre (MCC) celebrated its 30th anniversary.

When this facility opened to the public in 1982 it quickly became a special place. Our community had been waiting so long for a place where we could gather and participate in activities. The community centre has played a large role in the lives of families in Ward 9. Our children learned to swim and dance here. They learned martial arts and other artistic and athletic skills. Parents met each other and made new friends as we waited for our children in the viewing room overlooking the pool.

The facility is also home to organizations that have been with us since the beginning, such as the Meadowvale Seniors' Social Club and Meadowvale

West Preschool. We are proud of this centre's history and the partnerships and friendships that have developed over the years.

Residents celebrated with free popcorn, barbequed hot dogs donated by the Metro store at Meadowvale Town Centre and free samples of Panago Pizza and Buffalo Wild Wings, while enjoying such activities as Nordic walking, basketball, yoga classes and many more.

Next year will start a new phase in the life of the MCC as we start designing the renovations of our centre. **I will be holding a meeting on Feb. 9, 2013 at the MCC in the Youth/Senior Room from 12 noon to 2 p.m. for the community to come out and talk about what we need to include in the new facility.**

Construction is planned to start in early spring 2014 with completion by 2016. This will be an exciting project that I hope will meet with the same enthusiasm as when we built the original building. I hope you will all get involved and participate in the redevelopment of this facility as we expand and prepare for the next 30 years.

## Family Literacy Program

I am very proud of the Region's Family Literacy Program, a free series of nine workshops designed for families with children up to six years of age. We hold sessions at elementary schools and community locations throughout Peel. Register online at [peelregion.ca/children/programs/family-literacy/register.htm](http://peelregion.ca/children/programs/family-literacy/register.htm) or call 905-791-1585.

It's a great family time that helps prepare children for school and I encourage all families to participate.

Here's what you will learn:

- Week 1: Talk to Your Child
- Week 2: Read to Me and Help Me Become a Reader
- Week 3: Help Me Learn Math
- Week 4: Reading All Around Us
- Week 5: Activities to Make Language Fun
- Week 6: Get it "Write"
- Week 7: Playing With Language
- Week 8: Let it Move You!
- Week 9: Turn off the Screens

## Peel parents: find us on Facebook

Being a new parent can be stressful. Now it's easy to get help online via Parenting in Peel on Facebook at [facebook.com/parentinginpeel](http://facebook.com/parentinginpeel).

Parents and caregivers can get information by communicating with Peel Public Health Nurses and learning from others' unique experiences. Be sure to "Like" Parenting in Peel and "Share" the page with your friends!

Find information on:

- Preparing for a baby
- Having a healthy pregnancy
- Caring for a baby after birth
- Breastfeeding
- Parenting children up to age six

*Don't have a Facebook account? Don't worry!*

Visit [parentinginpeel.ca](http://parentinginpeel.ca), email [parentinginpeel@peelregion.ca](mailto:parentinginpeel@peelregion.ca) or call a Public Health Nurse at 905-799-7700.

eden community food bank

Please remember to help those who are in need. For more information, visit [edenfoodbank.org](http://edenfoodbank.org), call 905-785-3651 or email [info@edenfoodbank.org](mailto:info@edenfoodbank.org).

## Help a young family this Christmas

The Dam's Young Moms program provides a safe community for young moms and their children, helping them to grow into healthy individuals and families. Pregnant and parenting youth find support, resources, friendships and community at The Dam.

Many of the girls in our community are not in the position to provide gifts for their children this Christmas. This year, you can make a difference by adopting a young mom and her children! By providing gift cards and gifts, you can make Christmas Day special for a young family in The Dam's community.

For information or to sign up, contact [youngmoms@thedam.org](mailto:youngmoms@thedam.org) or call 647-887-0971.

Pat with Carol Reist, Executive Director of The Dam and her 10-month-old son, Daniel.

Pat with Jaya Mootoo-Szypulewski and Ken Dryfhout of The Dam Youth Drop In, at the Cooksville location.

## Helping kids make better food choices

Mandatory changes to food and beverages sold in Ontario schools came into effect at the beginning of September 2011 by the provincial Ministry of Education. The changes help young people make better food choices when they're not at home.

### What will be different in secondary schools?

- Fried foods such as french fries and chicken fingers have been replaced by non-fried and more nutritious options like baked sweet potato fries, grilled chicken strips.
- Most pop and sports drinks have been replaced with 100 per cent fruit juices, water and milk.
- Pizza with whole-grain crusts, lower-fat toppings and more vegetables may be available.
- Vending machines now offer whole-grain granola bars, lower-fat popcorn and baked chips.

### What will be different in elementary schools?

- Beverage machines will serve smaller containers of 100 per cent fruit juices, water and milk.
- Items like granola bars or healthy-baked snacks will replace chips or candy.
- Pizza days and hot dog days will offer healthier, more nutritious options.

Peel Public Health is working in partnership with both school boards to support schools with the introduction of this policy.

Call Peel Public Health at 905-799-7700 for more information or visit [SchoolHealth101.ca/action](http://SchoolHealth101.ca/action) and select "Food and Beverages."

Pat with members of Peel Regional Police and Sheelagh Duffin, Crossing Guards Supervisor at Plum Tree Park Public School promoting the "Walk to School Program."

Pat presents a certificate of recognition for the launch of the "Walk to School Program" to Pat Douglas, Principal of Plum Tree Park Public School.

[enersource.e-smartonline.net](http://enersource.e-smartonline.net)

Pat with students from Middlebury Public School who created the winning website in Bullfrog Power's Green Website Challenge. Check out the website at [go4greenpower.webs.com](http://go4greenpower.webs.com).

## Idling control by-law

Mississauga's Idling Control By-law came into effect in 2009 and prohibits motorists from idling their vehicles for longer than three minutes.

The intent of the by-law is to encourage the community to contribute to the overall reduction of vehicle emissions in the City of Mississauga. Staff have conducted educational blitzes to educate motorists on the by-law and to provide environmental information on the impact of vehicle idling on greenhouse gas emissions and air quality. We have specifically addressed school zones and the idling issues in those areas.

**Please do your part and remember: if you are going to sit in your vehicle for longer than three minutes, please turn the engine off.**

## Meadowvale Seniors' Social Club celebrates 30 years!

Pat with head table guests (from left to right) William Wolfs and wife Marie, and MP Brad Butt. Standing are Lois and husband Bernard Jordaan who is President of the seniors' club.

I had the pleasure of attending the 30th anniversary of the Meadowvale Seniors' Social Club (MSSC) on Sept. 12, 2012. I am so proud to have one of the most active seniors' clubs in the City right here in the Ward 9 community.

The MSSC provides a wonderful variety of activities for its growing membership. I want to especially commend the club's dedicated executive team, led by the enthusiastic and dynamic Bernard and Lois Jordaan who volunteer their time to make the club the success that it is.

In addition to the various activities held at the community centre, club members visit and interact with seniors and engage them in activities such as carpet bowling and euchre and bridge tournaments. What a wonderful way to bring joy and companionship to other seniors!

My sincere thanks to all who have made the Meadowvale Seniors' Club the success it has been for the past 30 years. They are a very special group and it is my honour to work with them.

## Conserving energy

Now that Time of Use (TOU) rates have been implemented in Mississauga, I thought it might be helpful to provide some information on this provincially mandated program.

Our hydro is provided by Enersource Mississauga Hydro, a utility that is 90% owned by the City of Mississauga and operated independent of the city. Enersource manages the TOU program as mandated by the Ontario Government.

Smart meters and TOU rates are put in place by the Ontario Government to encourage people to shift some of their electricity use to off-peak hours. This will help save energy and help the environment because if peak use gets too high, Ontario will need to build more generators to meet those peaks.

TOU pricing also reflects the way the electricity market works. TOU prices

increase and decrease at the same times that market prices increase and decrease. Market prices are higher at certain times of the day and week when demand is high, and they drop overnight and on weekends when demand is low.

With TOU rates, there are three different prices for electricity based on the time of day of usage with the highest rates during peak hours when demand is the highest.

Time of Use rates are posted on the Enersource web site at [enersource.com](http://enersource.com) under the "My Home" tab. You can also contact Enersource at [tou@enersource.com](mailto:tou@enersource.com).

If you want to see how shifting your energy use can make a difference, visit 10 Smart Meter Lane at [ieso.ca/house/enersource](http://ieso.ca/house/enersource) to find the best ways to manage your energy use with TOU pricing.

## Do you need a family doctor?

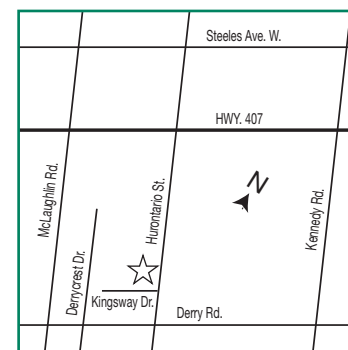

Register today with Health Care Connect to be matched with a family doctor or nurse practitioner. The service is free but you must have a valid OHIP card to be eligible.

Call **1-800-445-1822** or visit [ontario.ca/healthcareconnect](http://ontario.ca/healthcareconnect) to register or learn more about the program.

## Human Services available to support residents in Peel

The Region of Peel's Human Services department can help you with financial, child care, housing, transportation and employment needs.

Visit [peelregion.ca](http://peelregion.ca) or call the Region of Peel at 905-791-7800.

Mississauga Location – 7120 Hurontario St.

## Promoting a healthier community

Diabetes and obesity are a very real concern to us at the Region of Peel. The number of residents with diabetes is predicted to rise dramatically from a rate of one in 10 to one in six citizens by 2025. As the level of municipal government responsible for health, we want to encourage activities that promote a healthy lifestyle. This includes walking and cycling and we have to continue to make progress in these areas.

I have been very involved in the Region's Healthy Communities initiatives and emceed our first conference on this topic on Oct. 19, 2012. We heard from planners from New York City about how they introduced programs that promoted a healthier community. We have already started some programs and others are in the works.

We approved our first active transportation plan in February 2012. The plan aims to increase walking and cycling trips from five to seven per cent of all trips within five years. We hope those numbers eventually double in the long run with continued improvements to existing cycling and pedestrian networks and more new programs to shift travel behaviour.

Greater physical activity can help reduce diabetes and obesity. The goal is to make Peel more pedestrian and bicycle-friendly.

Review the plan at: [walkandrollpeel.ca/projects/2010pats.htm](http://walkandrollpeel.ca/projects/2010pats.htm).

Pat was emcee of the Peel Healthy Living conference held on Oct. 19, 2012.

**Inset:** Pat is pictured here with Dr. Karen Lee, Adjunct Professor, Schools of Public Health, University of Toronto and University of Alberta and Director of Built Environment and Active Design, New York City Department of Health and Mental Hygiene; and David Burney, Commissioner, New York City Department of Design and Construction.

## Providing child care for more children

The Region of Peel is responsible for managing subsidies for child care and currently has a waiting list of 3,449 children, with 820 ready to begin a child care program immediately. We have a growing list of children with special needs who need safe affordable child care. We also operate 12 child care centres providing spaces for up to 864 children.

In an effort to enable more parents in Peel to access high quality child care and special needs resources, our staff conducted a review that resulted in a proposal to close the Region's 12 child care centres, thus freeing up funding to help more families.

Instead of endorsing the first report, I recommended a task force be established to review all possible options. The Task Force has met over the past 7 months and, after thoroughly looking at all possible options, made a final recommendation that was endorsed by Council on Sept. 13, 2012.

As a result, the Region of Peel is undertaking a phased withdrawal from the direct operation of child care services at its 12 Learn.Play.Care. Centres by September 2014.

The current funding will be redirected to:

- Help more families access child care
- Improve child care quality and standards
- Provide early intervention and supports to children with special needs

Council also assured parents currently in these programs that no child will be left without child care and staff will work with parents and private providers to ensure this.

The Task Force will continue to meet and guide the implementation of the recommendations, which will occur over the next two years.

For more information on this decision, please visit [peelregion.ca](http://peelregion.ca).

## Clean Carpet Campaign

Renovating your home? Wondering what to do with that old carpet? Now you can recycle it as part of the first municipal carpet recycling program. The 'Clean Carpet Campaign' is an initiative to keep carpets out of landfills and, instead, repurpose the fibres for new products.

Through a partnership with CarpetCycle Canada, dry, debris-free, uncut carpet will be recycled for reuse in different markets. We currently send approximately 35 tonnes of carpet per week to CarpetCycle Canada.

You can contribute to the success of the program by ensuring the carpet is dry, free of garbage, carpet tacks and staples. Carpets do not have to be cut into strips.

You can drop off your carpet at our local Battleford Community Recycling Centre from Monday to Sunday between 8:30 a.m. and 4:30 p.m. at 2255 Battleford Rd., Mississauga.

## Public Works on Twitter

Receive timely news from Peel Public Works by following us on [twitter.com/peelpublicworks](https://twitter.com/peelpublicworks).

Get information on:

- Emergency road closures and watermain repairs
- Construction and project announcements
- Updates on service changes and emergencies
- Waste collection delays and holiday schedules
- New programs and promotions
- Notices and public meetings

## Put waste in its place

- Visit [wheredoesitgo.ca](http://wheredoesitgo.ca) to help make garbage day easy
- Support organics recycling – divert material from landfill and have it converted into compost
- Consider donating gently used items instead of throwing them in the garbage
- Use the Community Recycling Centres for free disposal of:
  - s household hazardous waste
  - s reusable goods
  - s dedicated loads of blue box materials
  - s electronics
  - s passenger or light truck tires
  - s large metal appliances and fixtures

For more information on how to manage your waste, visit [peelregion.ca/waste](http://peelregion.ca/waste).

## Park Stewardship Day at Lake Wabukayne

On Oct. 20, 2012 many residents came out to Lake Wabukayne to celebrate and view the many enhancements such as the new benches and the interpretive signs installed along the pathway. These are some of the achievements of the Friends Lake Wabukayne Stewardship that has been working for the past four years to revitalize and protect the area around Lake Wabukayne. The job is not finished yet so watch for more exciting projects to come.

## Understanding your home's sewer system

The first step in understanding your home's sewer system is knowing there is a network of pipes and systems that runs in and around your home.

The sanitary sewer takes water (called wastewater) from toilets, showers, laundry and sinks. The wastewater is collected in pipes that run throughout your home, which are connected through one large pipe that goes to the Region of Peel's sanitary sewer system. You are responsible for your wastewater pipes inside and underneath your home to your property line. Keep them free of debris such as hair, grease and other objects so they function properly. If they get clogged, it's your responsibility to get them cleared out.

The storm sewer on your street collects rain and melting snow as well as water from lawn watering and car washing and sends it directly into Mississauga's storm sewer system. Storm sewer pipes run beneath the road outside your home. The water then flows into storm water management ponds, creeks and rivers. You are responsible for storm water on your property. You can ensure storm water gets to the sewer by checking your property's grading and disconnecting your downspouts, which will allow the water to flow away from your home. Please do not pour any oils or chemicals down the storm sewer as this can affect our local lakes like Wabukayne and Aquitaine and the wildlife living in them.

Visit [peelregion.ca/pipes](http://peelregion.ca/pipes) for more information and helpful tips about your home's sewer system.

## Streetsville Pumping Station Renovation

Work is ongoing. New reservoir is built and work started on the new building.

**NOTE: The curb lane and sidewalk on southbound Erin Mills Parkway north of Erin Centre Boulevard is closed 24-hours a day until March 2013 while a valve chamber is installed to connect the new pumping station facility to the existing distribution system. Please expect delays at this location.**

In mid-February watch for a complete closure of southbound Erin Mills Parkway for the installation of two surge vessels at the facility. Work will likely be done over a weekend.

## Mississauga Corporate Security Service

**24/7 Parks Watch Hotline:** Park users are encouraged to call **905-615-4060** if you observe suspicious activity in parks or woodlots.

Report litter, vandalism, graffiti, alcohol consumption, off-leash dogs or suspicious behaviour.

POLICE 905-453-3311 • EMERGENCY 9-1-1

Pat with Aaron Cook, Security Mobile Officer.

## Ward 9 Regional Road works

Derry Road/ Millcreek Drive, Construction of Intersection Improvements in 2013.

## Ward 9 Watermain replacements

Watermains on the following streets are scheduled to be replaced in 2013.

- Andorra Circle
- Bilbao Lane
- Bucklepost Crescent
- Gananoque Drive
- Glen Erin Drive from Derry Road West to Gananoque Drive
- Oka Road
- Paddle Road
- Starfield Crescent
- Torquay Mews
- Townwood Court
- Willowmore Way

## Welcome to new businesses in Ward 9

A warm welcome to the following new businesses that recently opened in Ward 9.

- Comfort Keepers Mississauga North (Syntex Drive)
- GoodLife Fitness (Meadowvale Town Centre)
- Golfzon Park (Meadowvale Town Centre)
- Yogurty's (Thomas Street and Glen Erin Drive)

Pat with Comfort Keepers Mississauga North owners, Len Vassos and Stacey Vassos.

Pat at the grand opening of GoodLife Fitness with Shannon Nicholson, Club Administrator; Lyndsay Lew, General Manager; Darwin Chang, Fitness Manager; and Jenna Ozimor, Assistant General Manager.

Pat at the Yogurty's grand opening on July 25 with Karen Sterling, Yogurty's Vice President and Chief Marketing Officer.

Pat tries out her golf swing with Liz Stanbridge, Golfzon Supervisor and Stephen Whiteway, Project Manager for Ventis Construction Group.

## Congratulations to the following businesses that celebrated anniversaries this year in Ward 9

- Jacox Harley-Davidson – 20 years
- S+C Partners LLP Chartered Accountants – 25 years
- Buffalo Wild Wings – 1 year

Pat with Maggie Jacox, Public Relations; Patrick Jacox, President; Keely Jacox, Marketing and Promotions Manager; and family dog, Tash Jacox, celebrating Jacox Harley-Davidson's 20th anniversary.

Pat celebrating the 25th anniversary of S+C Partners LLP chartered accountants with partners Greg Konieczek, Richard Clarke, Kalin McDonald, Paul Keul and Curtis Link. Missing from the photo are partners Greg Rawn and Jason O'Halloran.

Pat cutting the cake at Buffalo Wild Wings 1st anniversary with (from left to right) Tony Hinds, Assistant GM, Derek McPhadden, GM (Oakville – Opening March 2013), Ted Chisholm, GM, and Jason Lower, Kitchen Manager.

## Calendar of Events

### THE DAM ELECTRONICS RECYCLING PROGRAM

The Dam Youth Drop-In will be collecting old, obsolete or broken electronics for recycling on Saturday, Jan. 12, 2013 from 9 a.m. – 3 p.m. in the Meadowvale area. Check [thedam.org](http://thedam.org) for details.

### MEADOWVALE COMMUNITY CENTRE REDEVELOPMENT OPEN HOUSE

Have your say on the Meadowvale Community Centre redevelopment Saturday, Feb. 9, 2013 from 12 noon – 2 p.m. Meadowvale Community Centre, 6655 Glen Erin Drive Youth/Senior Room

### PAT'S FREE SWIM

Saturday, March 9, 2013 from 1:30 – 3 p.m. Join me during March Break for a fun afternoon of swimming! Erin Meadows Community Centre, 2800 Erin Centre Blvd.

## Clear the way this winter

### On-street Parking Restrictions

Roads without parked cars are plowed faster.

Remove your cars off city roads from **Nov. 1 – March 31 from 2 – 6 a.m.**

Extended parking and boulevard parking are exempt.

The issuance of parking considerations may be suspended during ongoing snow clearing operations.

## Meadowvale 40th anniversary quilt unveiled

It was my pleasure to unveil the Meadowvale community's 40th Anniversary quilt at the Meadowvale Community Centre's 30th anniversary event on Sept. 15, 2012.

This special quilt has been two years in the making and is made up of photographs taken of our community in 2010. At that time, I held a photo contest that asked residents to capture the beauty and uniqueness of Meadowvale, and the results were outstanding.

Fourteen photos were selected online and are featured on the special anniversary quilt that will be displayed in the community centre. These photos represent a lasting memento of Meadowvale's 40th anniversary. The quilt was sewn by a team of volunteers led by Vera Taylor and other local volunteers, including residents, staff and friends from Edenwood Seniors Village Inc. and students from Meadowvale Secondary School under the guidance of my executive assistant Luisa Morrone.

We were very fortunate to have most of the winning photographers join us at the unveiling on Sept. 15 at the Meadowvale Community Centre celebration. Thank you again to our photographers Beth Barnes, Bill Hagan, Chuck Hammill, Sandra Martin, Barbara Perez, Robin B. Powell, Hilary Quint, Suzanne Strobel and Abigail Wallis for a job well done.

Pat with Vera Taylor of Edenwood Seniors Village and Ruth Snell from Ruthie's Needlepoint putting the finishing touches on the special Meadowvale community's 40th anniversary quilt.

Pat with the winning photographers as they unveil the special commemorative quilt at the Meadowvale Community Centre 30th Anniversary Celebration held on Sept. 15, 2012.

## Pat in the Community

Pat getting a gift basket for raising over \$6,000 for Big Brothers Big Sisters of Peel Bowl-a-Thon.

So proud of Viktoriya Gritsayeva and Talysha Bujold-Abu (with Stephanie Willson, City Recreation Programmer) of the Meadowvale Youth Freeway who presented to Council on July 4.

Pat and her husband Ron, receiving their Queen's Diamond Jubilee medals for their work in the community from MP Brad Butt and MPP Bob Delaney.

Pat with Ward 9 residents Maya and Eric Trojko and Heather Jefferson, Project Manager, Region of Peel at the Streetsville Pumping Station Community BBQ held in September.

## Pat's Committees

For this term 2011-2014, I am on the following committees and boards:

### City of Mississauga Advisory Committees

- Accessibility Advisory
- Advertising Review Panel
- Citizen Appointment Nominating Committee
- Economic Development Advisory Council
- Governance Committee, Vice-Chair
- Mississauga Celebration Square Committee
- Road Safety Mississauga Advisory Committee
- Shark Finning Committee, Vice-Chair

### Mississauga Standing Committees

- Council
- General Committee
- Budget Committee
- Planning & Development Committee

### Boards

- Enersource Board of Directors
- Mississauga/Toronto West Tourism Advisory Board, Chair
- Meadowvale Theatre Advisory Board
- Safe City Mississauga

### Region of Peel Advisory Committees

- Arterial Roads Review Ad hoc Steering Committee, Chair
- Early Learning and Child Care in Peel Task Force
- Emergency and Protective Services Committee
- Emergency Management Program Committee
- Healthy Living in Peel Advisory Committee
- Intergovernmental Relations Advisory Committee
- Inter-Municipal Planning Subcommittee
- Ontario Traffic Conference
- Peel Police Services Board Nomination Committee
- Peel Housing Corporation
- Youth Violence Prevention Advisory Committee

### Region Standing Committees

- Regional Council
- Regional General Committee

### Community Organizations

- Meadowvale Community Partnership
- Friends of Lake Wabukayne

## Christmas tree collection

Place your Christmas tree at the curb on your scheduled collection day during the week of Jan. 7, 2013.

## Fundraising? Neighbourhood event?

### Holding a fundraiser or a community neighbourhood event?

Make your event pop! Borrow the Ward 9 popcorn machine and/or tent.  
email: [pat.saito@mississauga.ca](mailto:pat.saito@mississauga.ca) or call 905-896-5900

Pat with the Ward 9 popcorn machine and volunteers Jacob and Zachary Delisle.

## Hydrant snow removal

Homeowners and businesses are reminded to keep any hydrants on or near their property clear of snow and visible from the road at all times.

Quick access to hydrants is essential to provide emergency services. Please consider the safety of your neighbours and the community this winter. Thank you for helping keep our community safe.

For more information on Region of Peel services, visit [peelregion.ca](http://peelregion.ca) or call 905-792-7800, ext. 4409.

## Holiday period garbage collection

The Region of Peel offers a Holiday Exemption Period each year. You may place unlimited quantities of acceptable waste at the curb on your scheduled collection day during the following two-week period following Christmas: Dec. 24, 2012 – Jan. 4, 2013.
