19. 2009 Development Charges By-law

Corporate Report dated June 8, 2009 from the Commissioner of Corporate Services and Treasurer providing a response to issues raised through correspondence related to the Development Charges Background Study and proposed by-law.

RECOMMENDATION

1. That the following recommendations incorporated into the Development Charge Background Study prepared by Hemson Consulting Ltd. be approved by Council:
 - a. That the present practices regarding the collection of development charges and by-law administration continue to the extent possible, having regard to any new requirements of the *Development Charges Act, 1997 (DCA)*.
 - b. That the City continue its reporting policies consistent with the requirements of the *Development Charges Act, 1997*.
 - c. That, as required under the *DCA*, rules regarding application of the by-law and exemptions be codified within the Development Charge By-law proposed for adoption.
 - d. That the Development Charges By-law permit the payment of a development charge in either cash or through the provision of services-in-lieu agreements, subject to City approval.
 - e. That with the exception of public universities, colleges and hospitals, and some seasonal/temporary uses, no exemptions other than those required in the *Development Charges Act, 1997* be formally adopted in the By-law.
2. That Council adopt the growth-related capital forecast for City Services included in the Development Charges Background Study – May 2009 and its companion documents, subject to an annual review through the City’s normal capital budget process and that the City of Mississauga Development Charges Background Study prepared by Hemson Consulting Ltd. May 2009 and the City of Mississauga 2009 Development Charge Background Study: Storm Drainage Component, 12 May 2009 prepared by Aquafor Beech Limited and the 2009 Development Charges Update Transportation Background Study Final report May 2009 be approved.
3. That the adoption “in principle” of the growth related capital forecast signifies Council’s intention to ensure that the increase in services attributable to growth will be met as required under the Development Charges Act, 1997 s.5.(1)3., recognizing, however, that specific projects and project timing as contained in the study forecast may be revised from time to time at the discretion of Council.
4. That, for lands which are subject of existing agreements, development charges shall be levied at the rates in effect when building permits are issued, less any credits recognized under the procedures described in Ontario Regulation 82/98, Section 17.

5. That no further public meeting shall be required prior to the enactment of the City of Mississauga Development Charges By-law, 2009.
6. That the City of Mississauga Development Charges By-law, 2009 be enacted.
7. That a Development Charge Reserve Fund for the Parking Service be established (Account 31343).
8. That a Development Charge Reserve Fund (Account 31309) be established for the City's 2009 DCA revenues.
9. That the 2009 Development Charges By-law rates be implemented over a period of months such that any building permit application received by December 4, 2009 and issued by April 30, 2010 will pay development charges under the 2004 Development Charges By-law indexed rates. Building permit applications which do not meet this criteria, will pay the 2009 Development Charges By-law rates.

Councillor Katie Mahoney moved approval of the recommendation in the subject Corporate Report. The motion was voted on and carried.

Approved (Councillor K. Mahoney)
Recommendation GC-0454-2009

COUNCILLORS' ENQUIRIESA. Language Changes on Portable Signs

Councillor Katie Mahoney expressed concern with respect to the wording on portable signs being changed to offensive language. She inquired whether the City's by-law allows for a requirement for cages on signs to prevent tampering with the wording and if not, whether the by-law needs to be amended to disallow interference on sign wording. Ed Sajecki, Commissioner of Planning and Building, indicated that he would investigate.
