

CITY OF MISSISSAUGA NOTICE OF PUBLIC INFORMATION CENTRE #1

Municipal Class Environmental Assessment Study for McLaughlin Road

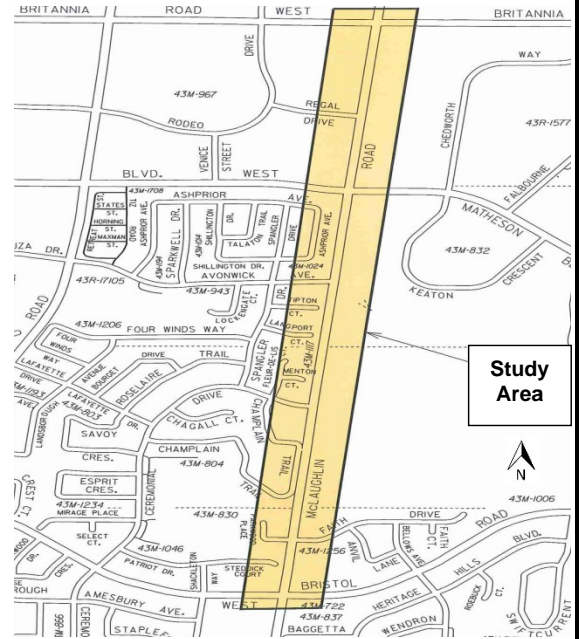

THE STUDY:

The City of Mississauga has initiated a Class Environmental Assessment (Class EA) Study 'Schedule C' including Preliminary Design for the section of McLaughlin Road from Bristol Road West to Britannia Road West.

Within the study area, McLaughlin Road is located next to the Britannia Farm woodlot, and consists of two travel lanes, a centre turning lane in some sections, a continuous sidewalk on the west side, partial sidewalk on the east side, and no cycling facility. According to the City's current Official Plan, McLaughlin Road is designated as a Major Collector road within the study area and a Scenic Route from Bristol Road West to Matheson Boulevard West.

The study is being undertaken to investigate the need for additional north-south capacity, and traffic management and safety improvements along this section of McLaughlin Road, while taking into consideration the Scenic Route designation, adjacent land uses and plans for a cycling route.

The study is being undertaken in accordance with the planning and design process for 'Schedule C' projects as outlined in the Municipal Engineers Association "Municipal Class Environmental Assessment," (October 2000, as amended in 2011), which is approved under the Ontario Environmental Assessment Act.

PUBLIC CONSULTATION:

Public consultation is a vital component to this study. Public Information Centre (PIC) #1 is being held to receive your input, comments and concerns on the Class EA, existing and future traffic conditions, environmental constraints, improvement needs and opportunities, and the alternative solutions being considered. At this PIC, the City of Mississauga will display information in an open house format on these and other subjects being addressed in the Class EA, including the preliminary preferred planning alternatives. Representatives from the City and the project consulting team will be present to answer questions and discuss next steps.

The PIC will be held as follows:

Date: Tuesday, January 29, 2013
Time: 5:00 p.m. to 8:00 p.m. Drop-In Centre
Location: Peel District School Board, "Mississauga Room"
5650 Hurontario Street, Mississauga (access off Matheson Blvd.)

COMMENTS INVITED:

If you would like to provide us with your comments, require additional information, or would like to be placed on the project mailing list to be notified about upcoming public meetings, please contact:
